

Greenland Police Department Media /Press
Announcement

January 2, 2007

On behalf of Chief Michael Maloney, the following is a press release for the general public.

On the early morning hours of 01/02/07, a person or persons entered into several unlocked vehicles on Bayside Road and Caswell Drive. Taken, were items contained in the vehicles such as snowboards, binders and various clothing. Also taken in these incidents were cash and construction tools. The approximate value of the items stolen is in excess of \$4,200.00. If any person may have any information on these incidents, please contact the Greenland Police Department at 603-431-4624.

The Greenland Police Department wants to remind its citizens to remove articles of value before leaving their vehicles. Please remember to lock your vehicle at all times as well. This may minimize the chance of theft of any articles you choose to leave in your vehicle.

Released on the authority of the Chief of Police for the Greenland Police Department,
Michael P. Maloney
